www.praxoninfo.com

Praxon Informatics provides Time and Attendance & HR solutions, in two flavours, on-premise and on cloud for small and midsize organizations with its flagship product PraxisTime. Praxon Informatics with its allied domain experts in Human Capital Management offers next generation Workforce Solution that achieve best-in-class performance.

PraxisTime is a comprehensive, state-of-the-art workforce management solution enabling you to collect, analyze, and take control of your employees' attendance and labour data - online and in real time. PraxisTime automates your processes by providing integration for most payroll products on the market.

Flexible solutions for your business needs with high return on investment

Minimize Compliance Risk

Time and Attendance systems are invaluable for ensuring compliances with labour laws and regulations. PraxisTime easily collect, automate and analyze employees' time and attendance related information with hours worked, overtime etc along with audit functions that generates accuracy for payroll processing.

Inspire Your Workforce

Inspire your employees with PraxisTime's intuitive, 100 percent web-based user interface. With employee and supervisor self-service features eliminate the burden of manual processes. Employees' can create, manage and respond to requests, approvals, and alerts electronically.

- Employee Self-Service
- Integrated scheduling
- Reports, Analytics & Dashboards

Save Money

PraxisTime saves most companies 3 to 5 percent in payroll expenses by efficiently providing job allocation, scheduling and time-off tracking. Other benefits include:

- Roles-based security to ensure only relevant data is delivered to appropriate users
- A variety of data collection options, such as web-based time clocks, mobile devices, biometric finger reader clocks, badges and employee self service time sheets
- Track & effeciently manage contract workers
- Reduces payroll errors caused by redundant data entry

*Time is Money
Money Saved is Money Earned
Time Saved is Money Earned*

“ A successful implementation begins with a tried, tested and true methodology ”

HR Solutions

With pre-payroll, time and attendance, recruiting and performance management working together in one system gives complete visibility into your global workforce. PraxisTime provides robust tools to help you manage key employee information - All you need from recruitment to retirement.
